PROFESSIONAL EXPERIENCE

Verizon, India — Senior UX Designer | Jun 2024 – Jul 2026

- Owned UX strategy and execution for the Promotions & Offers vertical within a CXO-led Point-of-Sale initiative, contributing to 30–35% quarterly revenue growth.
- Conducted 2+ call-center visits and Your Voice Matters surveys to identify frontline pain points and translate customer insights into actionable product improvements.
- Contributed to AI-enabled Point-of-Sale experiences, improving workflows across 3 user touchpoints.
- Partnered with 10+ cross-functional stakeholders across product, engineering, operations, and leadership to drive end-to-end UX decisions.
- Led 6+ knowledge-sharing sessions, including approach validations, strengthening design practices, team capability, and UX maturity.

Temenos, India — Senior UI & UX Designer | Sep 2022 – Jan 2023

- Collaborated with 4+ product, engineering, and business stakeholders to align UX strategy with technical and product requirements.
- Redesigned key user interactions, contributing to a 40% increase in user engagement during initial testing.
- Applied 50+ UUX Design System components to improve design consistency and accelerate development handoff.
- Presented 6+ design concepts and iterations to stakeholders, incorporating feedback through 2 design review cycles.
- Improved accessibility and interaction patterns across 100+ screens and workflows to create more inclusive product experiences.

Speero by CXL, Tallinn, Estonia — UI/UX Designer | Oct 2021 – Jan 2023

- Delivered UX and visual design across 10+ client websites and mobile applications spanning multiple industries.
- Created 20+ A/B test variations and experimentation treatments in collaboration with strategists and project managers.
- Translated audit findings into 50+ actionable design recommendations to support conversion and experience improvements.

Cisco, India — UI & UX Designer | Oct 2019 – Aug 2021

- Led the design system for 6 in-house products, collaborating with product designers to improve consistency and scalability.
- Redesigned the core dashboard experience across 50+ screens and workflows, aligning it with the broader product ecosystem.
- Collaborated with 6+ product, engineering, and operations stakeholders within an Agile environment to deliver product initiatives.

PurpleTalk, Inc., India — UI & UX Designer | Oct 2017 – Sep 2019

- Designed campaign visuals that contributed to a 30% increase in engagement and retention across client applications.
- Designed 6+ customizable product modules for the strategy team, supporting varied client requirements.

Digital Lync Technologies, India — Visual Designer | Jun 2016 – Jun 2017

- Created 50+ marketing and campaign assets in collaboration with 3 internal stakeholders across digital and offline channels.
